

Key Messages – Alliance Leadership Team (ALT)

Memo to:	South Island Alliance stakeholders
Purpose of memo:	To provide a brief summary of the key messages from the most recent South Island Alliance Leadership Team meeting.
ALT meeting date:	Monday 9 December 2019
1 healthLearn	ALT agreed to a shared commitment to the management of learning development for our South Island workforce. The next steps include Nelson Marlborough and Southern DHBs reviewing their current e-learning arrangements and longer-term requirements.
2 2019 summary of achievements	The South Island Alliance Programme Office prepared a summary of achievements for 2019 to be shared with stakeholders and partners. It is available here.
3 Health and Disability System Review	Heather Simpson, chair of the Expert Review Panel for the Health and Disability System Review, attended joined ALT for the subsequent Alliance Board meeting. discussed the interim report and the implications for the wider sector. Discussion included the interim report and implications for the wider sector, leadership in the health sector, and the connection between DHBs and primary care. The final report is due with the Minister by the end of March 2020 and is expected to be released shortly after that.
4 Regional visualisation tool	Representatives from EY presented to the Alliance Board and ALT the latest iteration of the regional visualisation tool. This product pulls regional data from a wide variety of national datasets and provides the ability to model and forecast different scenarios. It is now being tested by business analysts in the five South Island DHBs to determine how it can best be used, what value it provides and the next steps. They are due to report back to the Board and ALT in February.
